

USC Guidelines for Submitting Financial Support

The U.S. government requires that all international applicants provide proof of ability to pay tuition and living expenses for themselves and their dependents (if applicable) before a formal letter of admission and an I -20 or DS- 2019 can be issued.

All financial documents MUST have:

- Date of issuance (no earlier than one year before the start of your intended first term at USC)
- Student's name (or account holder's name if sponsor is someone other than student)
- Official letterhead and must include signature/stamp of an administrative official.
- Final available balance of individual liquid accounts or solvency amount (Conversion to USD is not necessary)
- Certified, professional translations for all financial documents not issued in English.

If the account holder(s) is someone other than student, include a Sponsorship letter OR [Confidential Statement for Sponsored Studies at USC](#) (graduate applicants only) OR [Financial Statement of Personal or Family Support](#) (undergraduate applicants only). The letter must state the account holder and student's name, current date, and relationship between student and sponsor.

- You may have more than 1 sponsor or source of funding. Please submit separate affidavit forms for each sponsor.
